The WOW Effect in Teamwork

Keynote Introduction

Just like the best sports teams, the most efficient organizations are those that perform best as a team!

The ability to work in synchronicity in a team and often create WOWs amongst colleagues is an important factor in the success of a business. The best road to improvement is the one travelled together! It is in this perspective that the keynote "The WOW Effect in Teamwork" was developed.

This presentation was designed in cooperation with efficient teams in several industries. Many inspiring and useful ideas will be presented to give your team spirit a second wind. During the keynote, principles, examples, testimonies and practical takeaways that you can quickly apply will be shared in order to make your experience as valuable as possible!

PRESENTATION OUTLINE

Creating a WOW effect with your teammates

- Survey results on how a team's most valued members act
- Working with your team to grow results
- Increasing participation, involvement and commitment
- Promoting the emergence of a team identity

Creating and (most importantly) maintaining effective team spirit

- Motivational and demotivational factors
- Orchestration of individual strengths: a team challenge!"
- Increasing credibility and trust

Creative recognition

- My team: A stepping-stone to personal recognition!
- You'll be more interesting if you're interested!
- Trust forged through personal recognition

Real examples of success

- Practical tips for energizing your work environment
- Troubleshooting and change management strategies
- The first steps to practice what you have learned and WOW your teammates after the presentation
